## MAYOR'S MESSAGE

Dear Friends,

Welcome to the Borough of Lawnside, a historic past, a vibrant present and a promising future.

The Borough of Lawnside is in the midst of millions of dollar in new development projects.

As Lawnside maneuvers through the 21st Century, this culturally abundant town filled with a rich history is moving ahead with the transformation of the Oak Avenue Redevelopment Corridor that will be home to one of the State's largest utility companies with worldwide holdings. It's already home to the UPS Regional Distribution Center.

While Lawnside is rich in history, we are undoubtedly focused on the future. Our redevelopment will bring new life and energy into areas of historic significance. It will offer our seniors opportunities to downsize from their current living situation.

We are committed to delivering superior municipal services, embracing the diversity of our citizens, and striving to continue making Lawnside, a desirable, safe Borough to live, work, raise a family, shop, study, play and grow.

My Administration will stay true to our principles of transparency, inclusiveness, forward thinking, accessibility and resourcefulness.

As Mayor, I welcome you to our Borough and invite you to discover the many great things Lawnside has to offer.

Sincerely,

*Hon. Mary Ann Wardlaw*

Mayor
